Tom Friesen, Acting Invasive Species Coordinator
Phone: 503-947-6232
Email: Tom.A.Friesen@state.or.us

COMMISSION ACTION REQUESTED (1) Adopt rule amendments reclassifying tilapia (two species and one hybrid), giant river prawns, and whiteleg shrimp as controlled species under the Wildlife Integrity Rules (OAR 635-056). Temporary Administrative Rules adopted to reclassify these animals expire on September 19, 2008. (2) Approve changes to rule language addressing the taxonomic nomenclature of fish and crustacean species.

DOCUMENTS ATTACHED 1. Agenda Item Summary
2. Notice of Proposed Rulemaking Hearing and Fiscal Impact Statement
3. Prohibited Species Permit Application and Documentation from Project Proponent
4. Proposed Administrative Rules
5. Public Correspondence
