Dear Mr. Kohl,

This letter is being sent to you to notify you that my letter of March 10, 2005 regarding planning direction relating to the reintroduction of mountain goats into the National Scenic Area is officially rescinded and thus no longer in effect

I understand that the State of Oregon does not have any current plans to reintroduce mountain goats within the National Scenic Area and, therefore, no further action is required of you.

Please call should you have any questions.

Sincerely,

DANIEL T. HARKENRIDER
Area Manager
