Oregon Dungeness Crab Advisory Committee Meeting Agenda

Conference call – Call-in number: 844-721-7241, code: 5996389
February 6, 2020 – 2-4pm

1. Welcome/intros/reminders

2. Introduce documents
    - FAQ (new)
    - Entanglement Summary (from Dec)
    - Revised DRAFT staff recommendation and OAR drafts
    - Risk reduction analysis

3. Discussion on each management measure and draft OARs
    - 20% gear reduction, 30 fathom depth restriction, and late-season buoy tag, all effective May 1 (OAR 635-005-0405, 635-005-0480, and 635-005-0460)
    - Eliminate replacement tags, retaining opportunity for replacement tags due to "catastrophic loss" and "extraordinary circumstances" (OAR 635-005-0480)
    - Eliminate two-week gear clean-up period (OAR 635-005-0485)
    - Require best practice – taut lines (OAR 635-005-0485)
    - Require line marking (OAR 635-005-0480)

4. Next steps

5. Public comment
