

Before the Oregon Fish and Wildlife Commission

The Commission, pursuant to ORS 496.112(3), hereby delegates authority to the Director of the Oregon Department of Fish and Wildlife to appoint members of the Commercial Fishery Permit Board on the Commission's behalf under ORS 508.755. The Director shall select members who meet the requirements of OAR 635-006-1200, who maintain a valid permit or license for the fishery they represent and be in good standing within their community and public members who are in good standing within their community. These appointments shall be subject to the Commission's authority under OR 635-006-1200(1)(c).
