

# Wheeler II Acquisition, Coquille Valley Wildlife Area

Tim Walters  
Umpqua Watershed District Manager  
Roseburg

February 10, 2017

## Presentation Outline

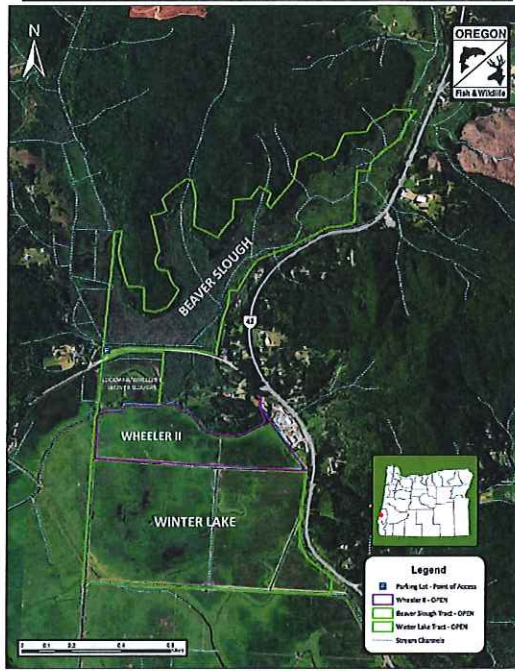

- Background
- Benefits to Wildlife, Habitat, and Recreation

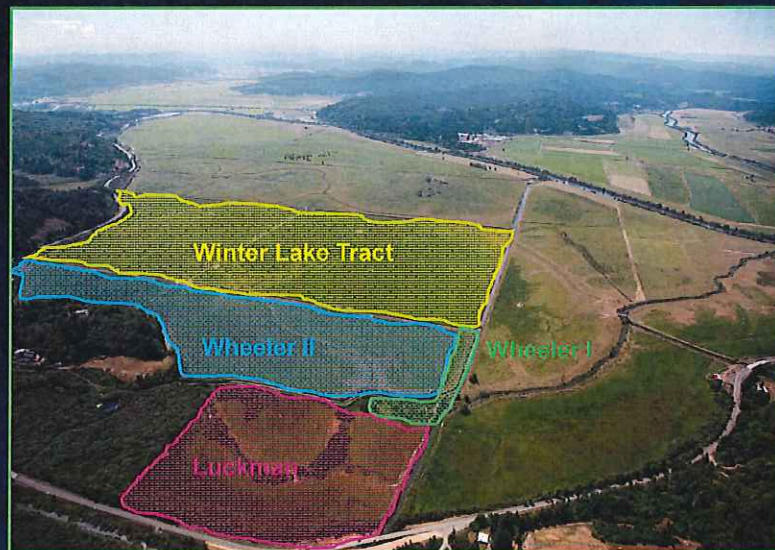

Coquille  
Valley  
Wildlife  
Area

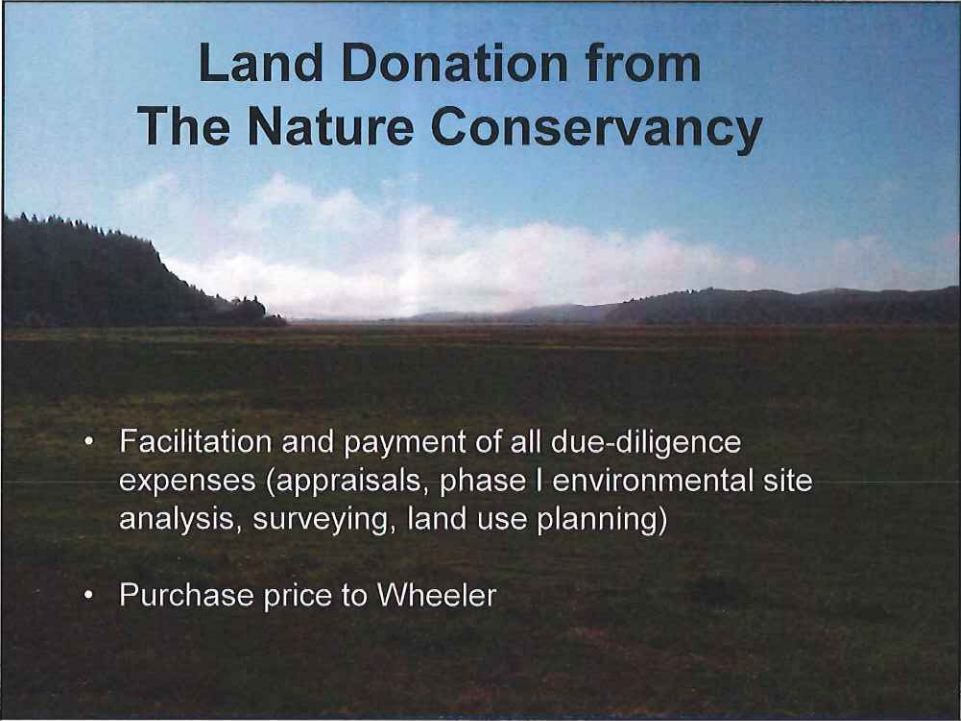

# The Coquille Valley Wildlife Area

## Proposed Wheeler II Acquisition

## Land Donation from The Nature Conservancy

- Facilitation and payment of all due-diligence expenses (appraisals, phase I environmental site analysis, surveying, land use planning)
- Purchase price to Wheeler

## Relevance to Plans & Strategies

- Oregon Conservation Strategy, Conservation Opportunity Area 45, Lower Coquille River
- OCS key habitats - Estuaries & Wetlands
- Over 20 Conservation Strategy Species
- Address limiting factors of stream complexity and water quality identified in Oregon Coast Coho Conservation Plan

## Benefits
