

**DIVISION 135
OREGON WILD TURKEY MANAGEMENT PLAN**

635-135-0001

Oregon Wild Turkey Management Plan Content and Purpose

(1) The 2018 [document entitled “Oregon Wild Turkey Management Plan” dated June 2004] establishes state policy and direction for Oregon’s wild turkey management program. The 2018 Plan replaces previous plans. Section IV: Management Guidelines and Appendix I: Trap and Transplant Guidelines of the 2018 Plan are incorporated here by reference as administrative rule[-is incorporated by reference into these rules]. Copies of the Plan are available at the Salem headquarters office of [through]the Oregon Department of Fish and Wildlife, 4034 Fairview Industrial Drive SE, Salem, OR 97302. [This document provides program direction, identifies objectives and strategies to fulfill management, research, habitat and status survey needs. It is also intended] The 2018 Plan also serves as an informational and historical document for the Department[to assist resource management agencies with their wildlife programs].

(2) To the extent practicable, at least once every five years the Department shall review the Oregon Wild Turkey Management Plan and make recommendations to the Commission for any changes to the plan. Review of the plan should include incorporation of the best available science and should seek comments from scientific experts and the public.
