

AGENDA ITEM SUMMARY

BACKGROUND

Created in 1993 by the Oregon Legislative Assembly, the seven-member Access & Habitat (A&H) State Board (Board) reviews project proposals that improve wildlife habitat and/or enhance public hunting access in Oregon. Project applications, submitted by landowners, corporations, organizations, and agencies, are initially reviewed by Board-appointed Regional Councils established in five geographic regions of the state. Regional Councils forward proposals to the Board with recommendations to approve or deny projects. The Board provides the next level of project review and then forwards proposals to the Oregon Fish and Wildlife Commission for final consideration and approval to expend A&H Program funds.

Funding for the A&H Program, ~ \$3.1 million per biennium, is from three primary sources;

- \$4 from each hunting and combination license sold (approximately \$1.4 million per biennium)
- Proceeds from the annual Big Game Auction and Raffle tags (approximately \$1.5 million per biennium)
- Biennial allocation of approximately \$90,000 from the Green Forage and Deer Enhancement and Restoration programs

The A&H Program dedicated account balance was \$1,108,404 at the end of March 2021. A&H Program funds deposited in the dedicated account can be expended only for Program activities. As of April 21, 2021, contracted A&H projects provide hunters with access to over 3 million acres of private land and have improved over 26,000 acres of habitat for wildlife during the 2019-2021 biennium.

PUBLIC INVOLVEMENT

A&H Program provides for public involvement at Regional Council and Board meetings, which are advertised on the department's webpage and by news release. Meeting materials are also posted on webpage. Members of the public may review documents and provide comments. Interested parties may call in to provide public comment during these meetings. The Board most recently met via Zoom on April 13 and May 5, 2021.
