

SPECIAL AUCTION AND RAFFLE TAGS

A number of unique hunting opportunities are available in Oregon through the use of special auction and raffle tags that offer expanded hunt areas and extended season dates. As a result, the auction and raffle tags are very popular. Revenue from these special tags is dedicated to specific programs. All funds raised by the auction and raffle tags for bighorn sheep, pronghorn antelope, and Rocky Mountain goats are dedicated for management and research of these respective species. All funds raised by auction and raffle tags for deer and elk provide funding for the Access and Habitat Program.

All auction tags are sold at fundraising banquets for various sport groups each spring. Host organizations receive 10% of the sales price for the tag being sold. Most of these funds are then allocated back to specific projects through grant programs managed by the sport group. Working within current COVID-19 restrictions, all 2021 auctions were conducted virtually or via small group telephone auctions with a live auctioneer. The department is very appreciative of the extra efforts these organizations went through to generate this important source of funds.

At the time of writing one auction tag had not been sold yet and raffle entry sales were still ongoing. Thus income values are not final. An update with final auction and raffle sales information will be presented at the June 18th, 2021 Oregon Fish and Wildlife Commission (Commission) meeting.

Bighorn Sheep

The Oregon bighorn sheep auction and raffle tag program was the first program of its type in Oregon and was established in 1987. Since then it has been the cornerstone of funding for bighorn management and research in Oregon (Table 1). The 2021 Oregon bighorn auction tag sold for \$210,000 via live online auction in January 2021 by the Wild Sheep Foundation. The 2021 bighorn raffle tag was drawn May 22, 2021 by the department at Salem headquarters office due to cancellation of the statewide Oregon Hunters Association event. At the time of writing it appears interest in purchasing bighorn sheep raffle opportunities is high. Combined, the two tags generated \$316,364 for bighorn sheep management and research in Oregon in 2021.

Pronghorn Antelope

The Commission is authorized to annually issue one pronghorn auction tag and one pronghorn raffle tag. Funding generated from these tags is dedicated to pronghorn management and research. After 18 years, these tags have generated over \$475,000 (Table 2). The 2021 special auction tag was sold via a live telephone auction in March 2021 for \$19,000 by the National Wild Turkey Federation, Ochoco Chapter (Table 2). The raffle tag was drawn May 22, 2021 by Salem headquarters staff due to cancellation of the statewide Oregon Hunters Association event. Combined, the two tags generated \$39,819 for pronghorn management and research in Oregon in 2021.

Rocky Mountain Goat

The Commission is authorized to annually issue one Rocky Mountain goat auction tag and one Rocky Mountain goat raffle tag. Funding generated from these tags is dedicated to Rocky Mountain goat management and research. The 2021 Rocky Mountain Goat auction tag was sold for \$75,000 via online auction hosted by the Oregon Chapter of the Foundation for North American Wild Sheep on May 1, 2021 (Table 3). The raffle tag generated \$67,699 and was drawn May 22, 2021 by department staff at Salem headquarters due to cancellation of the statewide Oregon Hunters Association event. Total funds generated from the two tags is now over \$650,000.

Access and Habitat, Deer and Elk Auction and Raffle Program

The annual auction and raffle of deer and elk tags is a valuable funding source for the Access and Habitat (A&H) Program, accounting for approximately one quarter of A&H Program revenue since 1995. These tags have generated over \$9 million in revenue (Table 4) with nearly 2/3 of this coming from the 5 deer and 5 elk auction tags. Combined proceeds from the auction and raffle tags, A&H license surcharge, and Green Forage & Deer Enhancement Restoration funds, have been used to implement over 450 hunter access or habitat improvement projects in Oregon.

Big game raffle entries are sold at department offices, license agents, and online beginning December 1 each year for the following year's raffle event. The 2021 raffle drawing took place May 22, 2021. Due to the efforts to limit the spread of COVID-19 the raffle was held at ODFW Salem Headquarters and livecast from the Commission Room.

A&H deer and elk tags were historically auctioned at fundraising banquets for various sport groups each spring. This year all of the events had to cancel in response to the COVID-19 pandemic. The host organizations converted the auction of the A&H tags from a live auction to an online auction or a bid-by-phone format with social distancing rules to ensure the safety of all involved. The department is very appreciative of the efforts of the host organizations to conduct the auctions in a novel and safe manner. In 2021, over \$512,000 was raised from the auction of 5 deer and 5 elk tags, an all-time sales record by over \$119,000. When held in-person these events provide an opportunity for A&H Board Members and staff to discuss the benefits of the

A&H program with the public. The A&H Board will select sponsoring organizations for 2022 at their July 13, 2021 meeting.

A&H Board and Department Recommendations

The department and the A&H Board recommend continuation of the auction and raffle tag programs with the same allocation of tags for 2022 as in recent years. All raffle tags would be drawn at the annual big game raffle-drawing event in conjunction with the Oregon Hunters Association State Convention. Proposed sponsors for the 2022 auction tags will be identified by the September 2021 Commission Meeting.

For 2022, the department recommends the Commission authorize:

- One bighorn sheep auction tag and one bighorn sheep raffle tag
- One pronghorn antelope auction tag and one pronghorn raffle tag
- One Rocky Mountain goat auction tag and one Rocky Mountain goat raffle tag

For 2022, The A&H Board recommends the Commission authorize:

- Five deer auction tags and five deer raffle tags
- Five elk auction tags and five elk raffle tags
