1. Include bighorn sheep tags with other big game tags that can be provided (outside the controlled hunt draw process) to terminally ill children. **Age discrimination of other terminally ill people**
2. Add elk to the urban deer population control program, per SB 761 passed by the 2021 Oregon State Legislature. This will allow cities, when authorized by ODFW, to control elk numbers in urban areas when elk are causing public nuisance, safety concerns and damage to property. Cities who use the program must first pass an ordinance against feeding and placing attractants for elk. Meat from any elk is to be donated to a food bank or charitable organization. **Disabled discrimination**
3. Allow ODFW to provide free daily angling/shellfish licenses to participants of certain organizations who serve Veterans and active military service members, per Senate Bill (SB) 320 passed by the 2021 Oregon State Legislature. **Discrimination based on service entity.**

All three should not be allowed based n discrimination,
