Subject: I strongly support ODFW's wildlife coexistence funding package

Dear Oregon Dept. of Fish and Wildlife Commission,

Thank you for bringing forward the Wildlife Coexistence Funding Package. I strongly support its inclusion in the ODFW budget.

This funding package will help ODFW shift toward wildlife management that's focused on human-wildlife coexistence and wildlife rehabilitation. The funding package will also help engage new audiences in conservation, promote wildlife stewardship, and either prevent human-wildlife conflicts or provide humane and effective solutions for wildlife when conflicts occur.

I support including this funding in ODFW's 2023/24 budget.

Thank you for your time.

Signed,
