

OCRF Project Proposal Form

Thanks for your interest in applying for a grant from the Oregon Conservation & Recreation Fund. The deadline to apply is February 25.

More information, including information on the Conservation & Recreation Advisory Committee's program priorities, available funds, and guidelines for preparing your application are available online here:

<https://www.dfw.state.or.us/conservationstrategy/OCRF/committee.asp>.

Questions can be referred to the Department of Fish and Wildlife via email:

odfw.ocrf@state.or.us or by phone: 971-719-1192.

*** Required**

1. Email *

Project Information

2. Project Title *

3. Project Overview *

Please provide a short summary that could be used to describe your project on the OCRF website. (2000 character max)

4. Primary Contact Person *

5. Primary Contact Email Address *

6. Primary Contact Phone number *

7. Lead Organization *

8. Mailing address *

9. Lead Organization Federal Tax ID

10. Geography/Ecoregion *

Consult the Oregon Conservation Strategy Ecoregions:
<https://oregonconservationstrategy.com/ecoregions/>. Check all that apply.

Check all that apply.

- Blue Mountains
- Coast Range
- Columbia Plateau
- East Cascades
- Klamath Mountains
- Nearshore
- Northern Basin & Range
- Willamette Valley
- West Cascades

11. Project Location (City) *

12. Project Location (County) *

13. Project Start Date

Example: January 7, 2019

14. Project End Date

Example: January 7, 2019

15. Funding Amount Requested *

16. Total Project Cost *

Project Description

17. Project Narrative *

Please describe your project in full. (8000 character max)

18. Project objectives and expected outcomes of your project *

Please describe the project objectives and expected outcomes. (2500 character max)

19. Measuring Success *

Please describe how the success of your project will be measured. (2500 character max)

20. Timeline *

Please identify the key milestones towards completing the project and achieving results.

21. OCRF Funds *

Please select the categories of work that will be supported by the OCRF funds requested in this proposal.

Check all that apply.

- Administration
- Contract Services
- Equipment
- Personnel
- Supplies/Materials/Services
- Travel
- Other: _____

22. OCRF Funds *

Describe the specific expenditures for your project that will be supported by the OCRF funds requested in this proposal. Expenses must be identified either as administration, contract services, equipment, personnel, supplies/materials/services, or travel expenditures. (1000 character max.)

23. Partners *

Identify partner organizations that will be actively involved in the project and describe their roles.

24. Other information

Please provide any additional information you'd like the Committee consider, including links to project website or other media.

Project Classification

This information will help the Advisory Committee to evaluate how your project aligns with the purpose and priorities of the Oregon Conservation and Recreation Fund. This information also helps the Advisory Committee ensure that the program funds a diverse mix of conservation and recreation projects.

25. Based on the definitions in the OCRF Expenditure Framework, how would you classify your project? *

The definition of Conservation is: Improving the health of Oregon's ecosystems and populations of fish and wildlife species. The definition of Recreation is: Any activity undertaken to enjoy, appreciate, or support fish, wildlife, and their habitats.

Mark only one oval.

- Conservation
- Conservation with a recreational element
- An even mix of conservation and recreation
- Recreation with a conservation element
- Recreation

26. Program Priorities for the OCRF *

Which of the Program Priorities does your project address?

Check all that apply.

- Conservation - Habitat restoration and improving habitat connectivity related to implementing the recommendations in the Oregon Conservation Strategy and evolving science.
- Conservation - Science, research, and monitoring directly related to implementing the recommendations in the Oregon Conservation Strategy, especially through community science activities.
- Recreation - Opportunities to engage and expand the number and diversity of Oregon’s outdoor users.
- Recreation - Opportunities to introduce Oregonians to wildlife-associated recreation.
- Recreation - Educational materials and opportunities related to responsible recreation, ecology, and wildlife conservation for kids and adults.
- Recreation - Research, planning, or organizational capacity that supports responsible recreational opportunities.
- Recreation - Enhancement or restoration of trails and access to waterways in a way that preserves or enhances sensitive habitat or that resolves impacts related to informal or dispersed recreation in sensitive habitat.

27. Program Priorities for the OCRF *

Please describe how your project advances the program priorities as they are described in the OCRF Expenditure Framework, including any connections to the Oregon Conservation Strategy and/or Oregon's Statewide Comprehensive Outdoor Recreation Plan. (1500 character max)

28. For projects that address a conservation priority, what are the primary taxa that will be affected?

Check all that apply.

- Birds
- Mammals
- Reptiles
- Amphibians
- Fish
- Plants
- Invertebrates
- Not applicable
- Other: _____

Past
Projects/Experience

Describe two projects completed by the Lead Organization in the last 5 years and the results achieved

29. Project 1

1500 maximum characters

30. Project 2

1500 maximum characters
